

# MY HUMANS ARE GETTING MARRIED

## WARTHOGS BUSH CAMP

Magaliesburg

If you can't bear the thought of walking down the aisle without both your best friend and fiancée, you should stop by Warthogs Bush Camp in Magaliesburg. The pet friendly Warthogs Bush Camp is now open for weddings with your furry friends as ring bearers, confetti carriers and givers of wet sloppy kisses to anyone within arm reach. Wedding guests stay over in ten individual chalets which all have small wooden decks and are decorated in earthy tones, all set within a tree canopy. The bathroom with its outside shower is a real treat and brings guests just a touch closer to nature. If bush hospitality and simplicity is your thing, you would love the unpretentious but hearty brunch on offer which includes pap, wors and eggs, to dinner themes around braai menus, spit braais and potjiekos recipes.
